

# Balance Cube

Concentrated complement  
High in electrolytes

Balance Cube

Balance Cube is a pellet specially developed to balance a grain ration or to supply regular rations with extra vitamins. This tasty pellet is particularly rich in vitamins, minerals and trace elements.

This flaked mix contains top quality ingredients:

#### Premix

High-quality vitamins, minerals and trace elements in adequate dosage.

#### Organic selenium

Organic selenium is part of the antioxidant family and is in a form that is easily assimilated by the body.

#### Vitamin C

Vitamin C protects against cell ageing. It is essential for immune system functioning and increases the assimilation of iron of plant origin.

#### Sodium bicarbonate

Sodium bicarbonate is a powerful acid neutraliser.

## HOW TO USE

Mix Balance Cube in a proportion of between 30% and 50% with cereal grains. The mix obtained can be fed at a rate of 0.7 to 1 kg per 100 kg of body weight per day. To be adjusted depending on the breed, the intensity of work and the quality of the roughage.
