Vital Grain
For explosive performances
With whole grains
With yeast

MINERAL + VITAMINS

Vital Grain

Vital Grain is a mix of whole grains (white and black oats, barley, wheat and broken maize) and pellets enriched with vitamins, minerals and trace elements for explosive performances. The Vitamin E and organically-bonded Selenium ensure more rapid recover

This flaked mix contains top quality ingredients:

Antioxydants
Vitamin E and organic selenium support muscle recovery after an effort.

Organic selenium
Organic selenium is part of the antioxidant family and is in a form that is easily assimilated by the body.

Whole grains
Blend of black and white oats, corn, barley and wheat. These grains contain a substantial amount of starch and provide a lot of energy.

Cereal corrector
Enriched with vitamins, minerals and trace elements, this corrector allows for a good balance between the different nutrients in the ration.
Yeast
Yeast ensures optimal efficiency of the total feed: it contributes to the digestion of crude cellulose, the absorption of minerals and the production of B Vitamins.

HOW TO USE

To be fed at a rate of 0.7 to 1 kg per 100 kg of body weight per day. To be adjusted depending on the breed, the intensity of work and the quality of the roughage. The feed must be supplemented with good quality, free-choice roughage. The horse must alway
